VOTES OF THANKS FROM
THE SILEBY PARADE AND GALA
COMMITTEE

The Committee would like to take the opportunity to thank most sincerely all those who have contributed in any way, to the success of this Gala. This Gala would not succeed without your kind and continued support.

Our helpers have been too numerous to mention individually ; please accept our grateful thanks.

Thank you.

'The Wayfarers'

Originally a young people's group was formed at The Sileby Methodist Church in 1971, at first performing 'only' in their own church on special occasions. Early in 1972 the group became established as 'The Wayfarers', and in the spring of the same year the group were invited to Radio Leicester to make recordings for the Christian Magazine programme. As a result of these broadcasts the group were invited to participate in concerted and social activities in connection with various charitable organisations throughout the district.

Much of their work still centres on religious music and they have performed in many churches throughout Leicestershire.

The group comprises of: Stuart Marston (*Drums*), Rosalind

Bates, Ken Marston, Robert Reid, John Robinson (*Guitars*), Angela Bunney, Angela Marston, Caroline Johnston, Dawn Hassack, Karen Morley and Judith Marston (*vocals*).

Forward

During the past ten years The Sileby Parade & Gala has been organised by a joint Football & Cricket Club Committee, both clubs being the major beneficiaries. The responsibility has now been accepted by a new committee of volunteers from the village.

Our objectives are to provide a parade & gala each year, and to organise dances and social events at frequent intervals, in order to raise funds from which any of the village activities may benefit at the discretion of the committee.

This year we have organised The Parade & Gala on very limited funds, loaned to us by the Football and Cricket Clubs. We are committed to repay this debt by July 1st 1974, and we need your support in order to continue; so please help us to make 1973's Parade and Gala the best yet.

The Committee invites constructive criticism or suggestions to improve future events, and of course your help will always be welcome.

If you enjoy the Gala Day, the hard work and effort has been worthwhile.

THANK YOU

Bill Horsley.

Chairman.

Picture of Morgan Cross

It may be truly said Morgan is an example of home grown talent, for when the B.B.C. opened their first local Radio Station in 1967 he was one of the first of many local people to go on the air. Since then as a freelance, he has taken part in over 100 editions of Radio Leicester's popular Sunday morning show and also produces and presents the afternoon programme 'The over 60's club' as well as contributing to nationally networked programmes such as 'Woman's Hour' and 'Today'. He is married with three children and his hobby is watching television.
